Members will be introduced to the Klipriviersberg Sustainability Association (KlipSA) which has been designed to replace the Klipriviersberg Conservancy. This move has entailed the revision of the KlipCon constitution to accommodate the changes to KlipSA. The proposed constitution is available on our website (www.klipcon.org.za) and a copy is attached to this invitation. The motivation for this exciting new venture will be presented at the AGM together with its proposed constitution.

Executive committee members for the year ahead will be elected at the meeting. Should you wish to become involved in the Exco or any of our other sub-committees, please attend the meeting.

If you are unable to attend, you may vote by proxy (form attached) and which is also available on the KlipCon website. This can be returned to Sue Edwards via e-mail or fax (details below).

We hope that you will be able to join us. Please bring along other members of your family, colleagues and friends who may also be interested in finding out how KlipSA will be facilitating the protection, promotion and enhancement of the natural assets of the southern areas of Johannesburg.

Please respond to this invitation to Sue Edwards (edwards@futurejhb.co.za) or phone/fax No. 011 680 7367 by Friday, 19 August 2011, for catering purposes.

We apologise for any cross postings of this invitation.
