Once the formal business has been dealt with, Andrew Barker will share a presentation – **Seed to Feed**—a suite of initiatives for the future development of the south of Joburg which will change the city and the current way of thinking about the south. These initiatives are based on protecting, promoting and enhancing the value of the natural assets in the area and will change the legacy of apartheid and improve the lifestyles of many people.

Refreshments will be served and there will be a cash bar.

Please note: The Executive Committee is desperately in need of an administrator and secretary as well as a host of other skills. If you have such skills and are prepared to assist, please make yourself available for election to the committee or to join one of the working teams.

If you will be attending, please confirm by e-mail to Sandra on sandka@mweb.co.za. This is needed for catering purposes. A proxy form is available if you are notable to attend.

This e-mail serves as the formal notice of the meeting.

Please join us to share in KlipSA's successes and frustrations during the past year. Any of your family or friends who are interested in KlipSA's activities are also welcome to attend.

Look forward to seeing you there.
